

# One company. One dish. One easy solution.

## Houston's one source for DIRECTV office television.

As a building manager, it's your responsibility to keep your building in good shape as well as keeping your tenants happy. And Houston Media Systems can help. With our unique One-Dish DIRECTV solution, it is now possible to provide all tenants in the building with over 500 channels of satellite TV, including local television at no cost to you. One dish, over 200 potential users. Free yourself from qualifying different vendors to install all those different antennas on your roof. Call Houston Media Systems, get the best of programming available and make your life and the lives of your tenants easier. Look for us online at [www.dbstv.com](http://www.dbstv.com).
